IU2627

M NK TF VLCTY HOODIE LC

Made with Therma-FIT fabric to help keep you warm without weighing you down, this lightweight hoodie is well worth the space it'll take up in your bag. Pull it on for early tee times and pack it away once the sun comes out or your game starts to catch fire.

Fold-over design at hood opening provides a comfortable, distraction-free fit.

3-Piece hood design helps keep you warm without getting in the way while you play.

Stretchy cuffs feel snug and comfortable when worn at the wrist or cuffs.

Nike Therma Flex fabric helps manage your body's natural heat to keep you warm, while high-stretch yarns move with your body.
