Advertencias Warnings

- Si la superficie donde va colocada la tira de LED tiene residuos, asegúrese de limpiarla hasta que quede libre de ellos.
- No utilizar este perfil para LEDs superiores a la potencia indicada, ya que no se podría garantizar la vida útil del LED.
- No utilice cola o silicona para fijar el perfil sin antes asegurar que la posición funcional es la correcta.
- If the surface where the LED strip is located has debris, be sure to clean it until it is free of them.
- Not use this profile to LED above the indicated power because it could not guarantee the life of the LED.
- Do not use glue or silicone to set the profile if before ensuring that the functional position is correct.
