

# Luna Eco CCT

## **Instalación**

Montaje empotrado en techo tipo Armstrong o falso techo.

## **Diseño**

Downlight de LED fabricado en aluminio color blanco. Temperatura de color (CCT) seleccionable (3000K - 4000K - 5000K).

## **Parte óptica**

Difusor de cristal opal con alto grado de difusión de la luz.

## **Installation**

Fitting into Armstrong type ceilings or ceilings.

## **Design**

LED downlight made in white aluminium. Color temperature (CCT) selectable (3000K - 4000K - 5000K).

## **Optical part**

Opal glass diffuser with high degree of light diffusion.

## Especificaciones Specifications

220-240V ~ 50/60Hz

30.000 horas (L70/B50)  
30.000 hours (L70/B50)

-20°C... +40°C

Seleccionable 3000K - 4000K - 5000K  
Selectable 3000K - 4000K - 5000K

Sin flicker  
No flickering
