COMFORT & DESIGN

Adjustable Waist System: Customizable waist adjusters for a precise, ergonomic, and secure fit.
Neoprene Comfort Collar: Soft neoprene collar inserts to prevent chafing during long rides.
Adventure Touring Fit: Robust, ergonomic cut optimized for the demands of off-road and touring.
Collar Snap Button Adjust: Snap-button collar closure for secure fastening, clean finish and easy operation even with gloves.

FUNCIONALITY

Hydration / Armor Pocket: Versatile internal compartment compatible with a hydration bladder or back protector.
High-Capacity Cargo Pockets: Large frontal cargo pockets designed for secure, high-capacity storage on the road.
Ultra Ventilated Mesh Panels: Full front and back mesh panels delivering maximum airflow through the garment for cool, dry comfort in hot-weather riding.

SECURITY & PROTECTION

Reflective Inserts: Strategically integrated reflective details to enhance rider visibility in low-light conditions.

TECHNOLOGY & MATERIALS

600D High-Tenacity Polyester: Constructed from ultra-durable 600D polyester to resist severe abrasion and tearing.
Perforated Technical Mesh: Lightweight perforated mesh panels combined with technical fabrics for maximum airflow in a protective vest.
