COMFORT & DESIGN

Breathable Harness System: Innovative padded and breathable harness designed for unparalleled riding comfort.

FUNCIONALITY

Clamshell Luggage Opening: Full-perimeter clamshell opening for unrestricted access to your gear.
Laptop & Tablet Pockets: Dedicated padded compartments to securely transport your laptop and tablet.
Expandable Bottle Pocket: Expandable side pocket designed to securely hold your water bottle.
Passport Security Pocket: Hidden security pocket designed to keep your passport and valuables safe.
Hydration / Armor Pocket: Versatile internal compartment compatible with a hydration bladder or back protector.
Helmet Carry System: Innovative external carry system designed to securely transport your helmet off the bike.
Fleece-Lined Eyewear Pocket: Polar fleece-lined internal pocket providing a scratch-free, vibration-buffered housing for sunglasses.
4-Compression Strap System: Four exterior compression straps stabilising backpack load on uneven terrain and off-road conditions.

SECURITY & PROTECTION

Reflective Inserts: Strategically integrated reflective details to enhance rider visibility in low-light conditions.

TECHNOLOGY & MATERIALS

Ballistic Nylon & PVC: Heavy-duty construction combining ballistic nylon and PVC canvas for extreme durability.
