- FR** Vinaigre / Anticalcaire / Dégresant
- IT** Aceto / Anti calcare / Detergente

- ES** Jabón pH neutro / Alcohol
- EN** pH neutral soap / Alcohol
- FR** Savon pH neutre / alcool
- IT** Sapone pH neutro / Alcool

IMPORTANT INFORMATION / INFORMACIÓN IMPORTANTE / INFORMATIONS IMPORTANTES / INFORMAZIONI IMPORTANTI

- EN**
- Always wear safety goggles and work gloves when installing or disassembling this product, especially when working with glass panels.
 - When handling, never rest the corner of the glass directly on the floor or hit the corner with any object. This can cause the glass to break.
 - Always have two persons to install or disassemble the shower.
 - Small children should never use the shower unsupervised or without proper instructions for safety use.
 - Small children should never hit, lean, or hang on the shower product. Nor should they do any inappropriate activity in the vicinity of the shower.
 - Tempered safety glass is designed to shatter into small tiny pieces when the glass is broken, this is to avoid serious injury.
- ES**
- Llevar gafas y guantes de seguridad durante la instalación o desmontaje de este producto, especialmente durante la manipulación de los cristales.
 - Durante la manipulación, nunca dejar descansar las esquinas de los cristales directamente en el suelo o golpearlos con cualquier objeto. Puede provocar la rotura del cristal.
 - Es conveniente que la instalación o el desmontaje sea llevado a cabo por dos personas.
 - Los niños no deben usar la ducha sin supervisión o sin apropiadas instrucciones de uso para sus seguridad.
 - Los niños no deben, bajo ningún concepto, golpear, apoyarse o colgarse de los productos de ducha. De la misma manera, deberán realizar actividades inapropiadas en las inmediaciones de la mampara.
 - El cristal templado de seguridad ha sido diseñado para romper en pequeñas piezas con el objetivo de evitar daños mayores.
- FR**
- Porter des lunettes et des gants de sécurité aux cours de l'installation de ce produit, en particulier pendant la manipulation des verres.
 - Pendant la manipulation ne jamais laisser reposer les coins des verres directement par terre ou les choquer avec n'importe quel objet. Cela peut provoquer la brisure du verre.
 - Il est souhaitable que l'installation ou le déballage soit réalisé par deux personnes.
 - Les enfants ne doivent pas, en aucun cas, choquer, s'appuyer ou se pendre des produits de douche. De la même manière ils ne devront pas réaliser des activités inappropriées à proximité de la paroi.
 - Le verre trempé de sécurité a été conçu pour casser en petites pièces afin d'éviter de plus grands dommages.
- IT**
- Indossare occhiali e guanti protettivi durante l'installazione o smontaggio di questo prodotto, specialmente durante la manipolazione dei cristalli.
 - Non appoggiare mai gli angoli dei cristalli direttamente al suolo o colpirli con qualunque oggetto durante la manipolazione. Il cristallo potrebbe rompersi.
 - È conveniente che l'installazione o lo smontaggio siano eseguiti da due persone contemporaneamente.
 - I bambini non devono usare la doccia senza la supervisione di un adulto o senza le dovute istruzioni di sicurezza.
 - I bambini non devono colpire, appoggiarsi o appendersi agli elementi della doccia. Non dovranno inoltre, realizzare attività inappropriate in prossimità del box doccia.
 - Il cristallo temperato di sicurezza è stato disegnato affinché si rompa in piccoli pezzi onde evitare danni maggiori.
