This packing corresponds to the Group Argenta standard theoretical packing and may be subject to variations. The stated weight is approximate and may vary by up to 5% depending on the model; in the case of products with relief, this variation may be greater. The final packing may also be affected by production conditions, humidity and manufacturing processes.

Este packing corresponde al packing teórico estándar del Grupo Argenta y podría sufrir variaciones. El peso indicado es aproximado y puede variar hasta un 5% en función del modelo; en el caso de productos con relieve, esta variación podría ser mayor. Asimismo, el packing final puede verse modificado por las condiciones de producción, la humedad y los propios procesos de fabricación.

Ce conditionnement correspond au conditionnement théorique standard du Groupe Argenta et peut faire l'objet de variations. Le poids indiqué est approximatif et peut varier jusqu'à 5% selon le modèle; dans le cas de produits avec relief, cette variation peut être plus importante. Le conditionnement final peut également être influencé par les conditions de production, l'humidité et les processus de fabrication.
