

# Ficha de información del producto

REGLAMENTO DELEGADO (UE) 2019/2016 DE LA COMISIÓN

Supplier's name or trade mark:: SMEG

Supplier's address: Via Leonardo da Vinci, 4 42016 Guastalla (RE) - Italy

Identificador del modelo: FAB10HRCR5

## Tipo de aparato de refrigeración:

|                         |    |                                |                   |
|-------------------------|----|--------------------------------|-------------------|
| Low-noise appliance:    | No | Design type:                   | Libre instalación |
| Wine storage appliance: | No | Other refrigerating appliance: | Yes               |

## Parámetros generales del producto:

| Parámetro   | Valor                       | Parámetro   | Valor                   |     |
|---|-----------------------------|---|-------------------------|-----|
| Dimensiones totales (milímetros)  | Overall dimensions - Height | 970   | Total volume (dm3 or l) | 135 |
|   | Overall dimensions - Width  | 545   |                         |     |
|   | Depth                       | 659   |                         |     |
| EEL   | 96                          | Clase de eficiencia energética del modelo   | E                       |     |
| Airborne acoustical noise emissions (dB(A) re 1pW)                                  | 35                          | Airborne acoustical noise emission class  | B                       |     |
| Annual energy consumption (kWh/a)   | 88                          | Clase climática   | SN, N, ST, T            |     |
| Minimum ambient temperature (°C), for which the refrigerating appliance is suitable | 10                          | Maximum ambient temperature (°C), for which the refrigerating appliance is suitable | 43                      |     |
| Winter setting:   | No                          |   |                         |     |

## Parámetros del compartimento:

| Tipos de compartimento           | Parámetros del compartimento y valores |                                     |  |                                    |  |
|----------------------------------|--|-------------------------------------|--|------------------------------------|--|
|                                  |  | Volumen del compartimento (dm3 o l) | Ajuste de temperatura recomendado para conservación optimizada de alimentos (°C). Estos ajustes no contradirán las condiciones de conservación contempladas en el anexo IV, cuadro 3 | Capacidad de congelación (kg/24 h) | Tipo de desescarche (desescarche automático = A, desescarche manual = M) |
| Dispensa                         | No                                     | —                                   | —  | —                                  | —  |
| Conservación de vinos            | No                                     | —                                   | —  | —                                  | —  |
| Compartimento bodega             | No                                     | —                                   | —  | —                                  | —  |
| Alimentos frescos                | Sí                                     | 135.1                               | 4  | —                                  | A  |
| Helador                          | No                                     | —                                   | —  | —                                  | —  |
| 0 estrellas/Fabricación de hielo | No                                     | —                                   | —  | —                                  | —  |
| 1 estrella                       | No                                     | —                                   | —  | —                                  | —  |
| 2 estrellas                      | No                                     | —                                   | —  | —                                  | —  |
| 3 estrellas                      | No                                     | —                                   | —  | —                                  | —  |
| 4 estrellas                      | No                                     | —                                   | —  | —                                  | —  |

|   |      |   |   |   |   |

| <b>Parámetros de las fuentes luminosas:</b>   |      |   |   |   |   |
| Tipo de fuente luminosa   |      |   |   |   |   |
| Lighting technology used:   | LED  |   |   |   |   |
| Non-directional or directional:   | NDLS |   |   |   |   |
| Mains or non-mains:   | NMLS |   |   |   |   |
| Connected light source (CLS):   | No   |   |   |   |   |
| Colour-tuneable light source:   | No   |   |   |   |   |
| Envelope:   | No   |   |   |   |   |
| High luminance light source:  | No   |   |   |   |   |
| Anti-glare shield:  | No   |   |   |   |   |
| Dimmable:   | No   |   |   |   |   |
| Energy efficiency class of the light source:  | F    |   |   |   |   |
| <b>Minimum duration of the guarantee offered by the manufacturer:</b> 24 meses  |      |   |   |   |   |
| <b>Información adicional:</b>   |      |   |   |   |   |
