Features

- AQL 1.5
- Free from powder
- Free from phthalates
- Tested to EN1186
- Tested to EN374 Type B
- Beaded cuff
- Manufactured with textured palms and fingertips
- Medium-weight construction
- Touchscreen compatible

Benefits

- Meets medical standards for pinholes
- Reduces risks of latex allergies (Type I sensitisation) and minimises particulate contamination
- Suitable for contact with food
- Suitable for contact with all food types
- Beaded cuff provides extra strength during donning and helps prevent liquid roll back
- Textured palms and fingertips provide improved grip, particularly when working in wet or oily conditions
- Medium-weight construction provides a balance of strength and sensitivity
- Suitable for use with mobile and tablet displays without removing gloves
