Classification:

Features

- Featuring Sanitized Hygiene and Odour Control Function
- Seamless knitted fleece liner
- Crinkle latex coating
- Elasticated knitted wrist

Benefits

- The Sanitized Hygiene and Odour Control Function is integrated within the glove, neutralising odours and reducing microbial growth. This article contains a biocidal product with the active substance zinc pyrithione
- Seamless fleece liner offers maximum comfort whilst keeping hands warm in cold environments, allowing the skin to breathe and maintain flexibility
- Crinkle latex coating gives superior dry and wet grip and good tear protection for a variety of cold weather tasks
- Elasticated knitted wrist ensures a secure fit and keeps hands free of dust ingress

Sectors

- Outdoor Construction
- General Maintenance
- Warehousing
