### Features

- Light weight seamless nylon liner
- Foam nitrile coating
- Coated with nitrile dots
- Excellent abrasion protection
- Contact heat resistant

### Benefits

- Close fitting and comfortable, allows the hand to breath and gives great fit and flex to the glove enhancing wearer comfort and reducing hand fatigue
- The foam nitrile wicks moisture away from the palm of the glove ensuring grip is maintained
- The nitrile dots give superior grip to the wearer in both dry and light oil use
- Offers durability in use and longevity of the product
- Contact heat resistant to temperatures up to 100°C
