Authorised Representative Mandate (Article 17 PPWR)

The Manufacturer of packaged products under the above Packaging Number appoints each Food Business Operator ("FBO") indicated on the product label as authorized representative, for the purposes of acting as the single point of contact in the EU Member State in which the relevant FBO is established and/or acts as the FBO at the time of the mandate (i.e., the time of issuance of the relevant EU DoC).

This mandate also covers cooperation with the competent national authorities, including the provision of any required information.

This mandate shall apply from 12 August 2026 (or, if later, from the date of issuance of the relevant EU DoC) and shall remain valid for an indefinite period, unless earlier withdrawn by the Manufacturer or terminated by the authorized representative.
