

Manufacturer:
Jonard Industries Corp.

Product Name:
Jonard Tools KN-200INS Insulated Cable & Duct Sheathing Knife

Manufacturer Part Number:
KN-200INS

▶ [Click here for more details on the Jonard Tools KN-200INS Insulated Cable & Duct Sheathing Knife](#)

Designed with a curved blade and insulated handle, this cable sheathing knife is the perfect tool for slitting or cutting the sheathing off cables without damaging the conductor insulation inside. This cable sheathing knife features the following:

- Dual-component insulated handle is rated for use on live equipment up to 1000V and is compliant with DIN EN 60900 VDE 0682-201:2013-04 standards
- Ultra sharp, dual-sided blade can cut cable or duct jacket sheath from either side by pushing or pulling the tool through the cable
- Ergonomically designed handle has soft grip for increased comfort and makes it easy to slit and cut sheathing off cables and ducts
- Narrow guide shoe on blade tip prevents conductor insulation from being damaged
- Included safety cap and tethering hole allow for easy transport and convenient storage

SPECIFICATIONS	
BLADE LENGTH	1.5" (3.81 cm)
BLADE MATERIAL	Stainless Steel
RATED VOLTAGE	1000V
STANDARDS	DIN EN 60900 VDE 0682-201
PRODUCT MATERIAL	Stainless Steel
PRODUCT MAIN COLOR	Red/Black
HANDLE MATERIAL	Dual-component Insulation
DIMENSIONS	8.5 in x 2 in x 1.16 in (21.59 cm x 5.08 cm x 2.95 cm)
WEIGHT	0.21 lb (95.34 g)
UPC #	810053352885
