

Collective Padded Sports bra W

Description

Collective Padded Sports Bra is an exceptionally soft and stretchy sports bra that effortlessly transitions from workout sessions to everyday life – ensuring you stay comfortable throughout the day.

Designed for ultimate comfort, this versatile sports bra is crafted from a stretchy polyester blend with a peached surface, offering a luxuriously soft feel, excellent body-temperature management and great fit. The sports bra also features sewn-in padded cups, functional lining at front, and bonded hems for a smooth touch against the skin. A manifestation of high workmanship in every detail.

- Very soft and highly elastic fabric made from recycled polyester and elastane
- Peached surface
- Functional lining at front
- Sewn-in padded cups
- Bonded hems
- Low support
