## MEN'S DRI-FIT THERMA FLEX GOLF HOODIE

HM5645

M NK DF VCTRY THRMFLX HDY

This golf hoodie is built for more than just the course. Its high-stretch, thermal fabric with sweat-wicking Dri-FIT technology helps keep you warm and dry during active days.

Nike Dri-FIT technology moves sweat away from your skin for quicker evaporation, helping you stay dry and comfortable.

Nike Therma Flex fabric helps manage your body's natural heat to keep you warm, while high-stretch yarns move with your body.

Fabric is peached on the outside for extra softness.
