

Mammoth Jacket Men

Description

Our Mammoth jacket is a technical softshell jacket made out of certified recycled polyester and elastane, designed for both functionality and comfort. The jacket includes two zipped side pockets, a zipped chest pocket and two additional inside pockets for maximal storage. The sleeves are adjustable with velcro, allowing for a customizable fit to keep out wind and rain. The hem can be adjusted with an elastic drawcord ensuring a snug fit. Additionally, the jacket features a chin protector to enhance comfort. This combination of features makes the jacket ideal for outdoor activities, offering both practicality and adaptability to varying weather conditions.
