

Pinnacles Jacket Woman

Description

Pinnacles, a 3 in 1 multifunctional outerwear jacket designed for maximum protection and comfort in wet conditions. The outer jacket is made out of certified recycled polyester, features taped seams and waterproof zippers to ensure complete water resistance. The jacket includes two zipped side pockets and a zipped chest pocket for secure storage. Both the sleeves and the hem are adjustable, with velcro on the sleeves and an elastic drawcord on the hem, allowing for a customizable fit. The hood is both adjustable and detachable, offering versatility, and the chin protector enhances comfort by preventing chafing.

The inner jacket is a padded jacket made out of certified recycled polyamide and provides additional warmth. It also features two zipped side pockets for secure storage and includes a chin protector for extra comfort. This combination of an outer functional rain jacket and a padded inner jacket makes for a versatile and protective layering system, ideal for various weather conditions.
