North Shore Jacket Men

North Shore is a technical jacket made for the all-weather player in mind. The 3-layer material maximizes protection against rain and wind while the 4-way stretch is allowing you full flexibility and freedom of movement. At the same time the fabric allows excellent breathability and excess heat on the inside and transports perspiration. The jacket incorporates a lightweight mesh lining. Engineered with YKK water repellent zippers and adjustable bottom edges. CB trade mark branding appears on the left sleeve, chest and the back neck. Wash separately at 30 degrees without softner. Close all zippers before washing and let the garment hang dry.

- WP 8 000 / MVP 5 000
- Sealed seams
- Adjustable velcro cuffis
