Oak Harbor Softshell Jacket Men

The Oak Harbor Softshell Jacket is a versatile, wind- and water-resistant jacket in stretch softshell fabric, offering excellent freedom of movement and reliable protection in changing conditions. Featuring signature details from the Oak Harbor series, it combines a sleek, refined look with practical functionality. Auto-lock zippers on the front and pockets make the jacket easy and reliable to use on the move. Ideal as a standalone layer in mild weather or as a mid-layer under a waterproof shell when extra protection is needed, this jacket adapts seamlessly to varying conditions and everyday wear.
