StarBright

Designed with your comfort in mind

TEKA

New **functional** and **contemporary** design

The new range of **StarBright** sinks offers a timeless style to your kitchen, adapting easily to your space thanks to its functional and contemporary design.

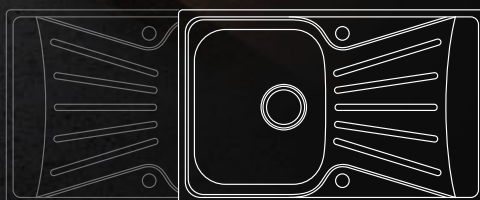

Its drainer allows water to flow easily, helping to maintain it.

Flexibility in your kitchen

Where do you prefer the drainer - on the right or the left side?

StarBright sinks offer you different compositions and sizes so you can choose the best option.

Designed with care

Teka sinks are manufactured in the same way that a chef indulges your recipes: with the best ingredients.

Our comprehensive control in the manufacturing process allows us to preserve resources and take care of the world that we live in.

We value your trust

The StarBright range is manufactured in Spain and is defined by its high quality, durability and its extremely resistant stainless steel (AISI 304).

At Teka, we trust our quality standards so much that we offer a lifetime guarantee on our sinks.
