

## EWH 80 H

## FEATURES

- Vertical & Horizontal installation
  - Capacity: 80 litres
  - Enamelled tank
  - Stainless Steel enamelled resistance
  - Temperature thermostat: 30°-75°
  - Pressure valve > 7,5 bar
  - Maximum pressure: 0,75 Mpa
  - Thermometer
  - Security valve
  - Earth Leakage Circuit Breaker
  - Overheat protection
  - Anti dry heating protection
  - Protection level against humidity IPx4
  - Power: 1500 W
  - Average insulation thickness: 20 mm
  - Connexion to supply network G ½
  - Average use for: 2-4 people
- 
- Dimensions:  $\Phi 385 \times 1030$
  - Voltage: 220-240V, 50Hz
  - Colour: White
