*Our sinks are manufactured in the same way as a chef pampers his recipes: with the very best ingredients, becoming the silent protagonist of the kitchen.*

PureLine

## A work of art

A clean design that embodies modernity.  
Radius 15 makes cleaning and water evacuation easier.

A new SQ valve to gently cover the square basket waste, providing a refined and attractive touch in the kitchen.

An elegant design with more capacity. Its 20 cm deep bucket offers more possibilities, allows cleaning of any type of kitchenware, even the largest pots.

The entire range offers a lifetime warranty and makes 50% less noise thanks to the new SilentSmart system.

PureLine, pure design and style.

# Quality, technology and innovation above all

*Every day we work to better understand your needs and create new solutions to help, all by finding new possibilities in the kitchen.*

## **Teka devotes itself to top quality**

Teka sinks are manufactured in the same way a chef perfects his recipes: with the very best ingredients.

The stainless steel used in the manufacturing of our sinks contains the necessary amounts of chromium and nickel to create a product that is extremely resistant to denting, noise and temperature changes

## **Made to last a lifetime!**

The highest quality materials, together with the best design and functionality, make Teka sinks the silent protagonists in any kitchen.

(\*) Warranty only applicable for residential products. Fitting excluded. All product exchanges and returns require Teka's express approval. Tap and accessories excluded.

# More than just a sink

*More than 90 years of experience in the manufacturing of sinks allows us to offer the best guarantee.*

Sinks with unlimited lifetime warranty

At Teka, we are so confident in our quality standards that we offer an unlimited lifetime warranty for all our stainless steel sinks.

Teka sinks are defined by their top quality, durability, extremely resistant austenitic stainless steel, ergonomic design, functionality and hassle free installation.

They are made in Europe and all our factories have the highest quality certifications and are environmentally friendly.

# Zenit

## More than just a sink

*Zenit PureLine RS15 is not simply another range of sinks. It is a food preparation area with ergonomic accessories perfect to cut, wash, cook, serve, and... enjoy! Its new square-shaped SQ valve combines with the attractive straight lines that bring personality and design to your kitchen, with a profesional look and the peace of mind offered by the lifetime guarantee and the new SilentSmart system.*

## Zenit RS15 Cooking Set

Teka ha developed an exclusve cooking set that includes ceramic dishes of different sizes suitable for ovens, microwaves and dishwashers that allow baking or serving meals directly to the table, all thanks to its elegant bamboo chopping board.

It offers, above all, maximum flexibility and comfort in the kitchen. The set is completed with a series of silicone lids that allow you to preserve food in the refrigerator or enjoy it at any other time.

Zenit has other optional accesories like the new square-designed inox soap dispenser and the inox colander that match perfectly with Teka sinks and help you to get things well organized.

PureLine, pure design and style.

# PureLine Zenit RS15

## Multifunction workstation

*The new Zenit RS15 sinks are distinguished by their versatility, and, above all, because they bring order in your kitchen.*
