

DISCOVER THE NEW **STEAMGOURMET OVEN**

All you need is steam

TEKA

THE COOKING FUNCTIONS THAT WILL GIVE YOU ALL

SteamGourmet is a CombiSteam oven, which means it includes a steam generator that can work solo or combined with traditional heating. This provides all cooking functions that you may need, with the crunchiest and juiciest results.

Steam&Crisp

Ideal for bread, chicken, fish, potatoes gratin and lasagna.

TurboSteam

Better results for roast beef, pulled pork and beef stew.

All the **traditional functions** you need, to prepare your recipes conventionally, without steam.

ALL THE BENEFITS
OF STEAM
**WITH CRUNCHY
RESULTS**

DISCOVER THE MAGIC OF SOUS-VIDE

Cook with **FullSteam** as in a French restaurant. The healthier and tastier results you'll ever get.

Use **100% steam** at different temperatures and get incredible results with sous-vide-style recipes.

THE MOST **DELICIOUS** **LEFTOVERS** EVER

Doesn't it happen to you that when reheating food leftovers, they always end up dry and tasteless?

Our **Regenerate function** is ideal to reheat previously cooked meals, while re-hydrating it, to keep it fresh and preserve its taste and texture, as if just cooked.

BELIEVE IT OR NOT,
THIS IS HOW TOP
RESTAURANTS WORK!

FULLY **EQUIPPED**

Our new **SteamClean** system will keep stains and dirt out of your oven, without effort.

Automatic soft opening control panel to access the water tank with just one touch. It's so great, we just had to patent it.

Equipped with smooth-running telescopic guides, soft close system, and special perforated steam tray.

Triple glazed door for a cool touch to reach the highest safety while cooking.

Efficiency energy A+ for optimised consumption. Save up to 20% more energy.

ExtraLarge Capacity: Up to 72 Lts of capacity with 5 cooking levels and extra-large sized trays.
