UNIVERSE

A little universe in your kitchen

IT'S IN THE SMALL DETAILS,
WHERE GREATNESS FINDS ITS PLACE

PERSONALITY IN YOUR KITCHEN

The new Universe series was created with details in mind, offering the best solution with a unique and avant-garde design. The variety, functionality, and beauty of its surface stand out.

WIDE VARIETY OF SOLUTIONS FOR YOUR KITCHEN

Offers a range of compositions, sizes, and finishes so you can choose the sink that best suits your lifestyle.

GREATER KITCHENWARE CAPACITY

for pots of up to 195 mm high.

QUALITY AND DURABILITY WITH AISI 304 STAINLESS STEEL

In addition to its antiseptic properties, it has extremely resistant stainless steel that provides us with extra hygiene and easy cleaning in the kitchen. Sinks made in Spain.

SINKS WITH UNLIMITED LIFETIME WARRANTY

At Teka, we use the latest technology to manufacture our stainless steel sinks, offering an impressive, perfect, and durable finish.

Teka has been recognized for its stainless steel sink design.
