

DISCOVER  
**INFINITY | G1 EDITION**

German heart, Italian design

THIS EXCLUSIVE EDITION IS PART  
OF AN EXTENSIVE PROJECT AND  
ONE OF OUR BRAND'S MAIN  
PILLARS: **DESIGN.**

**Infinity | G1 Edition** comes to life through the mutual work of two remarkable brands: **Teka** and **Italdesign Giugiaro**. Bringing together the 50+ experience of Italdesign Giugiaro, the acclaimed design and engineering automotive company, and Teka's vast knowledge of creating kitchen products.

Italdesign Giugiaro is a leading company founded in 1968, which has designed, inspired, developed, and manufactured the most innovative solutions for the automobile industry and related fields worldwide, such as Nikon cameras or motorcycles, e-bikes for Ducati, automobiles for Lamborghini, Ferrari, Maserati, and DeLorean Motor Company, amongst other renowned brands.

This edition is inspired by the **latest and emerging design** trends in **exclusive** vehicles, jewellery, or the **ultimate** technology for **premium** electronic devices, combining shades of **matte** and bright **black** details with touches of **copper** for an incomparable finish.

THIS LINE OF DESIGN GOES BEYOND THE ESTABLISHED. EVERY FEATURE INCLUDED IS THOUGHT TO BE TECHNICALLY AND AESTHETICALLY FLAWLESS, INTENDED TO CONVEY **DEPTH AND SOPHISTICATION.**

The combination of matte and bright black and subtle touches of copper, gives your kitchen a **strong contrast**, a way of adding **distinction** and a **modern spin**. Matte black continues to make its mark on fashion, home decor, and even home appliances.

WE PURSUED **ELEGANCE**;  
THE MOST ACCURATE PORTRAYAL OF WHAT  
DESIGN MEANS TO TEKA. WE HAVE COME  
A LONG WAY TO CREATE THIS AUTHENTIC  
EXPRESSION OF WHAT DESIGN MEANS FOR  
OUR BRAND.

And this is how **Infinity | G1 Edition** born.
