FEATURES	RESULT
Heat Resistance	Heat not to exceed 212° F
Traffic	Wall only

Due to the inherent characteristics of porcelain, there may be variations in color, movement, and texture from lot to lot. For detailed installation guidelines, visit [akdo.com](#).

DISCLAIMER: The performance of surface covering products often depends on installation, environmental, and usage factors unique to each project. AKDO is not responsible for any effects that may be caused to products due to installation, wear from use, or exposure to environmental factors including but not limited to: hard water, chemicals, heat, flame, smoke, dirt or other substances. It is your responsibility to assess the project to determine if the product you are selecting is appropriate considering the unique characteristics of your installation, and to apply appropriate, high quality sealers when necessary. Please consult your installer for more information.

young huh

Young Huh is principal and founder of Young Huh Interiors, a full-service design firm that is located in New York City and specializes in residential and commercial interiors. With impeccable attention to detail, Young’s projects are conceived and tailored to fit each client’s personality and needs. Her philosophy is that each client has a unique point-of-view, and her role is to translate that vision into reality while elevating it to its greatest potential.

Young is fluent in a wide range of styles from historic to contemporary; her interiors reflect her love of art and artisans, and materials and textures.
