# RANGE OF ELECTRIC SHEARS

+ POWER + PRECISION

## GENERAL FEATURES

### 01

#### ▶ CUTTING POWER

Our Power Cut shears deliver the power and force you need for your cutting tasks. You'll feel the power as soon as you start working.

### 02

#### ▶ CUTTING SPEED

Open and close faster. This allows you to increase your pruning pace, prune more in less time and with less effort.

### 03

#### ▶ MAXIMUM SENSITIVITY

The trigger has a longer travel, perfectly accompanying your finger throughout the entire movement. You have perfect control over the cut because you have maximum sensitivity.

### 04

#### ▶ LONG-LASTING BLADES

They have an adjustment system that allows you to close the blades so that they continue to cross even when they start to wear out. They last longer, so you have less to worry about.

### 05

#### ▶ TOTAL ERGONOMICS

Formas pensadas para que tu mano repose más cómoda, evite rozaduras y trabajos mejor. Además los ángulos de ataque permiten que la introducción en la planta sea más natural y sin resistencia.

### 06

#### ▶ DURABILIDAD

La hoja de corte es entera y forjada, así tiene menos puntos de unión y gracias a su geometría y construcción forjada, te durará más tiempo de corte.

# RANGE OF ELECTRIC CHAINSAWS

+ PRECISION + EFFICIENCY

## GENERAL FEATURES

01

### ▶ LIGHTWEIGHT

Compact and easy to handle, these chainsaws are designed for one-handed use—giving you the freedom to grip branches with the other hand or steady yourself during the task.

02

### ▶ MANOEUVRABILITY

Their light weight and compact size let you navigate easily between branches, ensuring precise cuts exactly where you need them.

03

### ▶ EFFICIENCY

Whether alone or combined with another tool, you'll tire less and cut more in less time. You will be able to devote your time to other equally important tasks in your crops.

04

### ▶ FUNCTIONALITY

The chainsaw will be your perfect ally, whether used on its own, for pruning and clearing your trees and woody crops, or as a complement to the electric shears.

05

### ▶ FINE AND FAST CUTTING

Equipped with a fine chain that offers excellent penetration and minimises kickback, these chainsaws deliver clean, sharp, and efficient cuts.

06

### ▶ QUIET OPERATION

With a significantly lower noise level than petrol models, they're ideal for noise-sensitive environments—allowing you to work comfortably without causing disruption.

## GENERAL FEATURES

01

- ▶ PROFESSIONAL BRASS PUMP.

Maximum durability.

02

- ▶ INDUCTION MOTOR.

Suitable for intensive use, as it ensures a longer service life and higher performance.

03

- ▶ PROFESSIONAL RANGE FOR INTENSIVE USE.

04

- ▶ TOTAL STOP SYSTEM.

Protects the motor from overheating.

05

- ▶ WATER SUCTION CAPACITY.

Greater versatility and comfort for the user.

06

- ▶ DETERGENT CAN BE USED.

## CONTENTS

- ▶ Stainless steel reinforced gun.
- ▶ Foam sprayer with 1000 ml soap tank.
- ▶ High-pressure hose, made of steel-reinforced rubber.
- ▶ 600 mm stainless steel lance with brass connections.
- ▶ Turbo nozzle for treating the most stubborn dirt.
- ▶ Interchangeable high-pressure nozzles 0°, 15°, 25°, 40°.

## HL4800PROE

EAN: 8414299085129

5 m power cable with three-phase current.

High flow rate	800 l/h
Maximum pressure	170 bar
Power	4.8 kW (three-phase)
Pump	Linear brass pump with ceramic pistons
Hose	15 m high-pressure hose
Chassis	Steel

► Suitable for cleaning agricultural and industrial machinery, agricultural workshops, industrial warehouses, industrial sectors and surfaces up to 2000 m<sup>2</sup>.

## HL3300PROE

EAN: 8414299085112

High flow rate	630 l/h
Maximum pressure	150 bar
Power	3.3 kW (three-phase)
Pump	Linear brass pump with ceramic pistons
Hose	10 m high-pressure hose
Chassis	Steel

► Suitable for cleaning agricultural and industrial machinery, swimming pools, warehouses and surfaces of up to 500 m<sup>2</sup>.

## HL3000PROE

EAN: 8414299085105

High flow rate	510 l/h
Maximum pressure	160 bar
Power	3 kW
Pump	3P brass pump with hardened steel pistons
Hose	10 m high-pressure hose with reel
Versatile	Trolley with wheels + fixed support

► Suitable for cleaning agricultural and industrial machinery and large surfaces.
