HAUTEVILLE

De procedencia francesa y origen marino, esta piedra caliza resalta cualquier ambiente por la gran cantidad de detalles que pueden apreciarse en cada una de las piezas de la colección Hauteville.

La suavidad al tacto alude al mar en calma, mientras que la estructura acuosa, con un sutil cambio entre tonalidades, aporta dinamismo y fluidez al diseño. Una colección cuya gama cromática consigue crear un conjunto armónico de aspecto fino y distinguido, logrando el equilibrio perfecto entre elegancia y distinción.

Of French and marine origin, this limestone enhances any setting with the vast detail that can be seen in each of the pieces in the Hauteville collection.

Its smoothness to the touch alludes to the calm sea, while the watery structure, with a subtle shift between shades, adds dynamism and fluidity to the design. A collection whose chromatic range creates a harmonious whole with a fine and distinguished appearance, achieving the perfect balance between elegance and distinction.

D'origine française et marine, cette pierre calcaire met n'importe quel espace en valeur grâce aux nombreux détails que l'on retrouve dans chacune des pièces de la collection Hauteville.

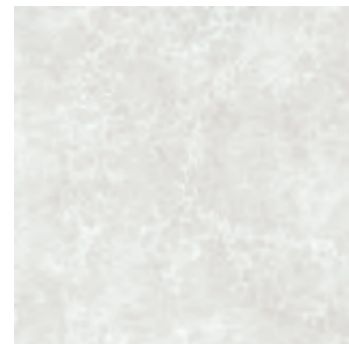

La douceur au toucher est une allusion à la mer calme, tandis que la structure aqueuse, avec un changement subtil entre les tonalités, apporte dynamisme et fluidité au design. Une collection dont la gamme chromatique parvient à créer un ensemble harmonieux, distingué et empreint de finesse jusqu'à atteindre l'équilibre parfait entre élégance et distinction.
