Mix & Match.

Textura y materia en diálogo.

Las colecciones de relieves Cifre no nacen solas: están concebidas para conversar con nuestros pavimentos.

Mix & Match es ese diálogo hecho catálogo — una selección de combinaciones pensadas, probadas y presentadas de forma interactiva para que explores las posibilidades antes de decidir

Revestimiento y suelo. Relieve y color. Todo ya coordinado.

Texture and material in dialogue.

Cifre's relief collections are not designed in isolation — they are conceived to converse with our floor tiles.

Mix & Match is that dialogue made catalogue: a curated selection of combinations, considered and presented interactively so you can explore the possibilities before committing.

Wall and floor. Relief and colour. All already coordinated.
