|           |                                 |
|-----------|---------------------------------|
| Name      | ART DIRECT & INDIRECT 2700K BG  |
| Reference | A3430010BG                      |
| Color     | Brushed Gold                    |
| RAL       | Paint of metallic nanoparticles |
| Category  | SUSPENSION                      |

### LIGHTING INFORMATION

|                             |                                    |
|-----------------------------|------------------------------------|
| Light source                | LED                                |
| Gross luminous flux         | 570 Lm                             |
| Power                       | 6,3 W                              |
| Power values of the system  | 7,00 W                             |
| Colour temperature          | 2700 K                             |
| Colour Rendering Index      | CRI>90                             |
| Chromatic stability         | MacAdam Step 3                     |
| Light beam angle            | 38°                                |
| Lighting efficiency         | 92%                                |
| Efficacy                    | 90 Lm/W                            |
| Current intensity           | 700 mA                             |
| Dimming                     | No Dim - Other DIM, please consult |
| Control through bluetooth   | Please Consult                     |
| Driver                      | Included                           |
| Electrical insulation class | □                                  |
| Voltage                     | 220 V/240 V                        |
| Frequency                   | 50/60 Hz                           |
| Energy efficiency           | A+                                 |
| LED lifespan                | L80B10 (Tc=85°C) >60.000h          |

### OTHER DATA

|                           |                                                         |
|---------------------------|---------------------------------------------------------|
| Ingress Protection        | IP20                                                    |
| Recess measurements       | 2 x Ø50 mm.                                             |
| Cord length               | Max. 5 m                                                |
| Fast adjustment tensioner | No                                                      |
| Weight                    | 1445 g.                                                 |
| Packaged weight           | 1980 g.                                                 |
| Packaging dimensions      | Ø105 x 1080 mm                                          |
| Units per package         | 1                                                       |
| Materials                 | Brass / Acrylonitrile Butadiene Styrene + Polycarbonate |

Art is a minimalist and rational suspended luminaire that allows an ambitious range of composition possibilities. Individually, it transmits a sober look, but when combined – in an ordered or anarchic way – it is revealed as a sculptural piece of Art. This luminaire can offer ambient lighting in any kind of actual interior design project. Its versatility makes possible both, – a discreet lighting over a table or an artistic composition to smoothly light up vertical opened spaces.

## DIMENSIONAL DRAWING

Wire Trimless Accessory is a collection of accessories for fitting tensioners and cables to Arkoslight luminaires suspended directly from the ceiling with any visible ceiling rose or fixings. This achieves a minimalist application with a visually tidy finish.

With Wire Trimless Accessory the items adjacent to the ceiling of the standard product (ceiling roses, fixings, driver boxes, etc.) are concealed by a simple recessed application.

Wire Trimless Accessory reduces the visual impact of the installation leading to extremely minimalist aesthetics. The wires come out of the ceiling material as a part of the structure. This detail creates a much purer, more essential layout, particular when several luminaires are fitted in an arrangement.
