

**KÄRCHER**

# CELEBRATE A LEGACY OF HARD WORK & INNOVATION.

Ninety years of Kärcher’s cleaning engineering meets 250 years of American grit. To celebrate this shared milestone, we are releasing the KM 75/40 W Bp Pack Special Edition—bringing you tried-and-true sweeping performance in a special turnkey package. For a limited time, you can secure this jobsite workhorse for a list price of just \$7,450, while supplies last.

**Turnkey power, straight out of the box.**

Stop chasing down matching accessories. This special edition comes fully loaded with a high-performance battery pack AND an integrated onboard charger standard. Just plug in, charge up, and get to work.

**Tried-and-true performance.**

Engineered to handle the toughest commercial applications, the self-propelled traction drive effortlessly sweeps up to 36,328 sq. ft/hr, keeping construction crews, rental fleets, and jan/san teams moving at peak productivity.

**Roll heavy debris away without the back strain.**

Eliminate heavy, awkward lifting. The mobile waste hopper features a built-in trolley handle and wheels, making disposal fast, safe, and efficient.

**Efficient filter system.**

Protect your air quality and your machine. The high-efficiency flat pleated filter system locks away fine dust, while the manual filter shaker ensures consistent, maximum suction power with zero hassle.

**Easy operating concept and easy service.**

Time is money. The intuitive EASY Operation control panel uses simple symbols so any operator can pick it up instantly without training, while tool-free components keep your routine maintenance quick and straightforward.
