SINGLE-ANGLE COLLETS & CHUCKS

DAVINC

PG/TG Collet Chucks and Collets

- Constructed from AISI 8620 Alloy Steel for wear resistance
- Hardened to 52-56 Rc for durability and long service life
- Max. T.I.R. of 0.0002" improves cutting performance and tool life
- Convertible DIN-B coolant delivery available

- Constructed from high-carbon bearing steel for improved flexibility
- 0.0004" max. T.I.R.
- Sealed collets or coolant seals available for coolant-through tooling
- Available in PG 75, 100, and 150 series

PG/TG Collet Chucks

FEATURES

- 0.0002" taper-to-pocket accuracy
- Convertible DIN-B flange coolant delivery available
