Product Description

Sweet air powder is an odor neutralizer with a strong but pleasant cherry scent. This unique product goes to work fast to eliminate unwanted odors for long periods of time. Does not mask over odors with perfume. It seeks out and breaks down the origin of the odor. Safe, economical and easy to use. Good for hundreds of unwanted odors. Leaves air smelling clean and fresh. Safe on all types of surfaces. Available in long-lasting gel cups, pellets, powder and liquid spray.

- Eliminates odors such as A/C dirty socks, garbage, smoke, musty, mildew, animal waste, tobacco and vomit
- Good for most unwanted odors and applications
- Environmentally safe
- Odor remover and liquid absorbent
- Absorbs and neutralizes oil spills and unwanted odors
- Leaves behind a fresh cherry scent
